Re: Approval of HUB Certification

Dear Ilango Radhakrishnan:

The Office for Historically Underutilized Businesses (HUB Office) is pleased to inform you that your company is now certified as a HUB firm with the Statewide Uniform Certification (SWUC) Program. This certification will remain in effect for four (4) years from the date of this letter at which time you must apply for recertification. Until that time, you must keep your information current and submit the attached "Annual Status Update Affidavit" every year prior to your certification expiration date. You will receive a 60-day and 30-day email reminder notice, however, it is your responsibility to submit the Annual Status Affidavits and apply for recertification every four years. As a courtesy, the email reminder notice will be sent to the email address that you have provided in Vendor Link.

As you are likely aware, the HUB Office was given the authority and responsibility for developing a Statewide Uniform Certification Program. This program was developed for the purposes of streamlining the certification of minority and women-owned businesses and creating a centralized HUB and minority/women business database. Starting July 1, 2009, minority and women business firms must be certified through the HUB Office to be listed in the database, which will be used by local and state entities for HUB participation and reporting purposes. Maintaining your status as a certified HUB firm will ensure that you are included in the Statewide Uniform Certification database.

You must notify the HUB Office in writing within 30 days of any changes affecting your compliance with the SWUC Program eligibility requirements, including changes in ownership, day-to-day management and/or control. Any changes made to your company's business ownership or structure may require the HUB Office to re-evaluate your company's eligibility. Failure to notify the HUB Office of any changes, submission of the Annual Status Update Affidavits and/or applying for recertification in a timely manner, may cause your company to lose its HUB Certification for failure to comply.
